GENTING MALAYSIA BERHAD GROUP TO TAKE ON ROLE AS MANAGER OF A RESORT CASINO IN MASSACHUSETTS

KUALA LUMPUR, 1 April 2016 – Genting Malaysia Berhad (“**GENM**”) Group today announced its participation as the manager of First Light Resort & Casino, an Indian destination resort casino to be constructed by the Mashpee Wampanoag Tribe in Taunton, Massachusetts, USA (“**Project**”).

GENM Group’s appointment as the manager of First Light Resort & Casino, which is pending approval from the National Indian Gaming Commission, is expected to be for a period of 7 years commencing from the opening of the said property.

The 900-room resort casino will be opened in phases, and once fully completed, will feature the following:

- A luxury hotel complete with spa, a large pool and meeting facilities;
- A mid-range hotel with a 15,000 square feet convention centre and a 200-seater 24-hour restaurant;
- A family hotel consisting of a 25,000 square feet indoor/outdoor water park;
- A dynamic, high-concept 150,000 square feet casino featuring 3,000 slots, 150 gaming tables and 40 poker tables;
- Inviting retail shopping destinations and extensive cuisine selections.

GENM Group has to-date invested US\$249.5 million in interest bearing promissory notes issued by the Mashpee Wampanoag Tribal Gaming Authority for the initial development phase of the Project. Though GENM Group does not have any equity interest in the Project or the Tribe, which is sovereign, the investment in notes allows the Group to enhance the returns expected from its involvement in the Project.

GENM Group’s foray into the gaming industry in Massachusetts is expected to complement and further establish the Group’s growing presence in the USA, where it already has operations and developments in the states of New York and Florida.
